**PRELIMINARY AMENDMENT**

**GROUP 3600**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicants have noted a typographical error in the specification which is corrected  
herewith as follows.

**In the Specification:**

On Page 6, line 26, "USSN 09/325,124" should be corrected to read -- USSN 09/325,242 --;

On Page 6, line 27, after "3, 1999," please insert -- now US Patent 6,314,380 B1, --.

**REMARKS**

Applicant noticed a typographical error in the Serial Number of the cross-referenced  
application on page 6 of the Specification. This Amendment corrects the SN. At the same time,  
since that application has issued as a patent, the Patent Number is supplied. No new matter has  
been added to the case.

DATE: November 28, 2001

Respectfully submitted,  
Jacques M. Dulin, Applicant
